

From the Kitchen of Amy & Tammy

With a dash of fun, a scoopful of freshness and an overflowing cup of appetizing fare, we bring to your boardroom a lunch box packed with a delicious down-home 1950's diner-style lunch.

Amy brings to the table experience in the kitchen, an apprentice to the best cook ever, her Grandmother. Tammy isn't allowed in the kitchen for the benefit of all patrons, however she serves up innovations which make your lunch practical and entertaining.

Our sandwiches are freshly prepared and stacked high with meat and the fixings. An ample scoop of perfectly seasoned pasta and potato salads are served on the side. An ovenfresh cookie, homemade cake or baked dessert tempts your sweet tooth.

Each box includes 1950's style candy, a coaster (Mother taught you better than to leave a water ring), and a surprise, just like in a box of Cracker Jacks.

So when it is necessary to work through the lunch break, break out a lunch that will treat and amuse your attendees, clients and employees. Whether you have an event to impress or a tough crowd to please, everyone will be delighted with a lunch from Amy & Tammy's Boxed Lunch Company.
